DOFA PATHWAYS

DEVELOPING OPPORTUNITIES FOR ALL

Welcome

To Our Individuals and Their Families,

Thank you for choosing DOFA Pathways. We know that entrusting the care of your loved one to someone else is one of the most courageous decisions a family can make. It requires faith, vulnerability, and hope and we honor that deeply.

DOFA Pathways was not created from theory or distance. It was born from lived experience from the sacred journey of birthing and caring for my own son with many abilities and learning firsthand what it means to advocate, to fight, to love, and to believe in someone's limitless potential. Being chosen as his mother ignited the vision that became DOFA Pathways.

Combined with my many years as a Direct Support Professional, and as a Registered Nurse, Case Manager, this journey shaped our promise:

Your loved one will be met with dignity, compassion, respect, and unwavering belief — every single day.

Their choices will guide us.

Their preferences will shape us.

Their quality of life will inspire us.

Our name reflects our purpose:

Developing Opportunities For All

This is not just a name. It is our calling.

We are committed to being present for you 24 hours a day, seven days a week whenever you need our approved services. You are not just receiving a provider; you are joining a community built on empathy, advocacy, and hope.

This intake package was prepared to help you understand your services and what you can expect from us. Please take time to review and sign. If you have any questions or concerns, you are always welcome to contact our team or reach out to me personally.

Thank you for allowing us to walk this journey with you.

It is an honor we do not take lightly.

Best Wishes,

Atinuke Fadipe, MSN, RN, CM/DN

Founder & CEO, DOFA Pathways Corporation.
